“This is a really great concert venue. The atmosphere is classy and spacious with plenty of seating, 2 bars and a dance floor. There are long tables for groups to sit together and there are some cool 2 person tables up on a tier facing the stage...”

“Excellent venue for an intimate concert setting. The sound engineers have it down to a science for Excellent quality of highs, lows, and mids for the ear-piercing sound levels at times. Also, the food here is abundant for the pricing...”
